Day 4 Fri. Arnhem Land, Ubirr Art Site, Kakadu National Park, Wetlands Cruise.

We explore stunning Kakadu National Park. Rich in flora, wildlife and beautiful scenery, Kakadu is home to more than 5000 rock art sites. For these reasons, the park is one of the few World Heritage sites listed for both its cultural values and natural features. Visit the famous Ubirr rock art gallery, including X-ray style paintings (subject to road access). Later see Nourlangie Rock and visit Warradjan Aboriginal Cultural Centre to view the informative displays depicting Aboriginal culture. Learn about Aboriginal heritage and their traditional way of life, including the relationship between Aboriginals and their land. We then embark on a Yellow Waters Sunset Cruise through some of the wetlands of Kakadu, home to an abundance of birdlife and, of course, the saltwater crocodile. Dinner tonight is at Gagudju Lodge, Cooinda, with its local delicacies of kangaroo, crocodile, barramundi and emu on the menu.
